

THE SMURFS

A 3D rendered white Smurf hat with a pom-pom, positioned to the right of the title.

The Smurfs are characters invented by Peyo (Pierre Culliford) and copyright to them belongs to IMPS (<http://www.smurf.com/smurf.php/www/home/nl>). I used the character without permission. This is a free pattern and was not made to earn money from it, but purely for the fun of it. Therefore, I ask you to please not redistribute or sell this pattern anywhere, nor to sell the dolls made from this pattern.

Smurf

This is a pattern for the base Smurf.

MATERIALS

- White and blue yarn. A little bit of black for the pupils and the mouth.
- A fitting crochet hook for the yarn you have chosen, that enables you to crochet tight
- Polyfill
- Needle for sewing

SIZE

The size of your Smurf depends on the yarn you chose and the crochet hook you used. My Smurf was made with a 3,5 mm hook (US E; UK 9; JPN 5) and measures approximately 18 cm (7 inches) from foot to tip of the hat.

Start: Ch 6 (5 + 1 to turn)

Row 1: SC in the next 4 chains; 3 SC in the last chain. Continue at the back of the chain. SC in the next 3 chains; 2 sc in the last chain. You should have 12 sc now. [12 stitches]

Start stuffing the foot firmly. Only the foot needs to be stuffed. The leg remains unstuffed.

Row 8: [SCx3 + DEC] x 2 [8 stitches]

Row 9 – Row 12: SC around [8 stitches]

Row 13: You should now have reached the back of the leg. If that isn't the case, just crochet a couple of sc until you are.

Pinch the leg closed, and crochet through both layers 4 single crochets.

Row 14: Turn; skip first sc; crochet 3 sc; tie off.

BODY

The body is crocheted in closed rounds. This means that each round finishes with a slip stitch in the first single crochet; followed by a chain stitch. The first stitch of the next round is made in the same stitch in which you made the slip stitch. Do not crochet in the chain stitch! Just skip it.

Here you can find a very good video tutorial for crocheting in closed rounds:

http://www.youtube.com/watch?v=CJgoju_T53E

The body is crocheted in two colours: white and blue, starting with white.
Don't forget to stuff the body as you progress.

FINISHING

Sew all parts together. I advice you to first use pins to pin everything into the right position.

- Attach the legs to the sides of the body, by sewing the flat part of the legs just below the border of the trousers.
- Sew on the tail, just below the border of the trousers. I sew on the tail underneath the spot where I changed colour. This usually is just below the S-shape of the back.
- Sew the nose in the middle of the face.
- Sew the pupils onto the white of the eyes. Then sew the eyes on both sides of the nose, 2 stitches apart.
- Embroider the mouth beneath the nose.
- Sew on the hat, with its point on the same side as the nose. To sew on the hat I use the back loops left from the last round, that way the stitches are less visible.
- Sew on the ears, so they are just above the border of the hat.
- Sew the head onto the body.
- Sew the arms to the body.

And that's it, your Smurf is finished!

I hope you enjoyed this pattern and I hope the instructions were clear enough!
When you finished your Smurf, do drop by [my blog](#) to show him off! I'm really curious about the Smurfs made with my pattern.

Cheers,
Charlotte
